AMENDMENT

In response to the Office Action dated March 12, 2003, Applicants respectfully request entry of the present Amendment.

REMARKS

Claims 1-9 are in the present application.

The Examiner has provisionally rejected Claims 1-9 under the judicially-created doctrine of obviousness-type double patenting as allegedly rendered unpatentable by Claims 1-9 of copending U.S. Serial No. 09/752,984. Applicant encloses herewith a Terminal Disclaimer with respect to U.S. Serial No. 09/752,984. Accordingly, withdrawal of this rejection is respectfully requested.
